| Clonality                   | Polyclonal                                                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                                                                  |
| Isotype                     | IgG                                                                                                                                                 |
| Conjugate                   | DyLight 550                                                                                                                                         |
| Purity                      | Immunogen affinity purified                                                                                                                         |
| Buffer                      | 50mM Sodium Borate                                                                                                                                  |
| Product Description         |                                                                                                                                                     |
| Host                        | Rabbit                                                                                                                                              |
| Gene ID                     | 79685                                                                                                                                               |
| Gene Symbol                 | SAP30L                                                                                                                                              |
| Species                     | Human                                                                                                                                               |
| Reactivity Notes            | This antibody reacts with wild-type transfected and endogenous human SAP30L protein. This antibody does not react with endogenous non-human SAP30L. |
| Specificity/Sensitivity     | This is specific for SAP30L.                                                                                                                        |
| Immunogen                   | A synthetic peptide made to residues 165-183 (VKS NKSRLDQKSEGGKQLE) of human SAP30L.                                                                |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                   |
| Product Application Details |                                                                                                                                                     |
| Applications                | Western Blot                                                                                                                                        |
| Recommended Dilutions       | Western Blot                                                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                              |
