| Storage                     | Store at 4C in the dark.                                                                                                                                                                |
| Clonality                   | Polyclonal                                                                                                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                      |
| Isotype                     | IgG                                                                                                                                                                                     |
| Conjugate                   | DyLight 650                                                                                                                                                                             |
| Purity                      | Immunogen affinity purified                                                                                                                                                             |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                      |
| Product Description         |                                                                                                                                                                                         |
| Host                        | Rabbit                                                                                                                                                                                  |
| Gene ID                     | 10914                                                                                                                                                                                   |
| Gene Symbol                 | PAPOLA                                                                                                                                                                                  |
| Species                     | Human                                                                                                                                                                                   |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 600 and 650 of human poly(A) polymerase alpha using the numbering given in entry NP_116021.2 (GenelD 10914). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                       |
| Product Application Details |                                                                                                                                                                                         |
| Applications                | Immunoprecipitation, Western Blot (Negative)                                                                                                                                            |
| Recommended Dilutions       | Immunoprecipitation, Western Blot (Negative)                                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                  |
