| Storage                     | Store at 4C in the dark.                                                                                                                                                              |
| Clonality                   | Polyclonal                                                                                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                    |
| Isotype                     | IgG                                                                                                                                                                                   |
| Conjugate                   | Janelia Fluor 646                                                                                                                                                                     |
| Purity                      | Immunogen affinity purified                                                                                                                                                           |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                    |
| Product Description         |                                                                                                                                                                                       |
| Host                        | Rabbit                                                                                                                                                                                |
| Gene ID                     | 8148                                                                                                                                                                                  |
| Gene Symbol                 | TAF15                                                                                                                                                                                 |
| Species                     | Human                                                                                                                                                                                 |
| Specificity/Sensitivity     | NB100-568 is specific for human TAFII-68 protein.                                                                                                                                     |
| Immunogen                   | A synthetic peptide which maps to a region between residues 550 and the C-terminus (residue 592) of human TAFII68 using the numbering given in Swiss-Prot entry Q92804 (GeneID 8148). |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                 |
| Product Application Details |                                                                                                                                                                                       |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                     |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                |
