| <b>Clonality</b>                   | Polyclonal                                                                                                                                                                      |
| <b>Preservative</b>                | 0.05% Sodium Azide                                                                                                                                                              |
| <b>Isotype</b>                     | IgG                                                                                                                                                                             |
| <b>Conjugate</b>                   | Janelia Fluor 549                                                                                                                                                               |
| <b>Purity</b>                      | Immunogen affinity purified                                                                                                                                                     |
| <b>Buffer</b>                      | 50mM Sodium Borate                                                                                                                                                              |
| <b>Product Description</b>         |                                                                                                                                                                                 |
| <b>Host</b>                        | Rabbit                                                                                                                                                                          |
| <b>Gene ID</b>                     | 10006                                                                                                                                                                           |
| <b>Gene Symbol</b>                 | ABI1                                                                                                                                                                            |
| <b>Species</b>                     | Human                                                                                                                                                                           |
| <b>Immunogen</b>                   | The immunogen recognized by this antibody maps to a region between residue 150 and 200 of human abl-interactor 1 using the numbering given in entry NP_005461.2 (GeneID 10006). |
| <b>Notes</b>                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                           |
| <b>Product Application Details</b> |                                                                                                                                                                                 |
| <b>Applications</b>                | Western Blot, Immunoprecipitation, Western Blot (Negative)                                                                                                                      |
| <b>Recommended Dilutions</b>       | Western Blot, Immunoprecipitation, Western Blot (Negative)                                                                                                                      |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                          |
