| Isotype                     | IgG2a                                                                                                                                                         |
| Conjugate                   | CoraFluor 1                                                                                                                                                   |
| Purity                      | Protein A purified                                                                                                                                            |
| Buffer                      | PBS                                                                                                                                                           |
| Product Description         |                                                                                                                                                               |
| Host                        | Mouse                                                                                                                                                         |
| Species                     | Virus                                                                                                                                                         |
| Specificity/Sensitivity     | Recognizes all Adenovirus serotypes; binding to the hexon polypeptide. No cross-reactions are known.                                                          |
| Immunogen                   | Adenovirus type 3                                                                                                                                             |
| Notes                       | CoraFluor (TM) is a trademark of Bio-Techne Corp. Sold for research purposes only under agreement from Massachusetts General Hospital. US patent 2022/0025254 |
| Product Application Details |                                                                                                                                                               |
| Applications                | Immunohistochemistry-Paraffin, ELISA, Immunohistochemistry, Immunohistochemistry-Frozen                                                                       |
| Recommended Dilutions       | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin, Immunohistochemistry-Frozen                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                        |
