BRCAA1 Antibody [Janelia Fluor® 669]

| Product Information         |                                                                                                 |
|-----------------------------|-------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                          |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.     |
| Storage                     | Store at 4C in the dark.                                                                        |
| Clonality                   | Polyclonal                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                              |
| Isotype                     | IgG                                                                                             |
| Conjugate                   | Janelia Fluor 669                                                                               |
| Purity                      | Immunogen affinity purified                                                                     |
| Buffer                      | 50mM Sodium Borate                                                                              |
| Product Description         |                                                                                                 |
| Host                        | Rabbit                                                                                          |
| Gene ID                     | 51742                                                                                           |
| Gene Symbol                 | ARID4B                                                                                          |
| Species                     | Human, Mouse, Rat                                                                               |
| Reactivity Notes            | Human, Mouse, Rat                                                                               |
| Specificity/Sensitivity     | BRCAA1                                                                                          |
| Immunogen                   | Reacts with residues 1046-1055 [SSKKQKRSHK] of the 136 kDa human, mouse and rat BRCAA1 protein. |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.           |
| Product Application Details |                                                                                                 |
| Applications                | Western Blot                                                                                    |
| Recommended Dilutions       | Western Blot                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                          |
