Chorionic Gonadotropin alpha Chain (hCG alpha) Antibody (77F12) [Alexa Fluor® 532]

Unit Size Concentration Concentration vary lot to lot. See vial label for concentration. If unlisted please contact technical services. Storage Store at 4C in the dark. Clonality Monoclonal Clone 77F12 Preservative 0.05% Sodium Azide Isotype IgG2b Conjugate Alexa Fluor 532 Purity Protein A purified Buffer SomM Sodium Borate Product Description Host Mouse Gene ID 1081 Gene Symbol CGA Species Human Specificity/Sensitivity This specifically recognizes HCG; it reacts mainly with the alpha-subunit. It is cross-reacting with the whole molecule of HCG, hLH, hTSH and hFSH. Cross-reactivity with free beta-subunit of HCG was not detected. Immunogen Hybridoma clone has been derived from hybridization of \$p.2/0 myeloma cells with spleen cells of Balb/c mice immunized with native human HCG (whole molecule). Notes Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product onveys to the buyer the non-transferable right to use the purchased product and components of the product only in research conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product is expensely conditioned on the buyer not using the product or its components, or any materials made using the product only is not search conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product is components: (i) in manufacturing; (ii) to provide a service, information, or loat an in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes, or (iv) for resale, regardless of whether they are resold for use in research. For information on purchasing a license to this product or its components: (i) in manufacturing; (ii) to provide a service, information, or loat an in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes, or (iv) for resale, regardless	Product Information
