| Storage                     | Store at 4C in the dark.                                                                                                                                                            |
| Clonality                   | Polyclonal                                                                                                                                                                          |
| Preservative                | No Preservative                                                                                                                                                                     |
| Isotype                     | IgG                                                                                                                                                                                 |
| Conjugate                   | HRP                                                                                                                                                                                 |
| Purity                      | Immunogen affinity purified                                                                                                                                                         |
| Buffer                      | PBS                                                                                                                                                                                 |
| Product Description         |                                                                                                                                                                                     |
| Host                        | Rabbit                                                                                                                                                                              |
| Gene ID                     | 284403                                                                                                                                                                              |
| Gene Symbol                 | WDR62                                                                                                                                                                               |
| Species                     | Human, Mouse                                                                                                                                                                        |
| Reactivity Notes            | Mouse reactivity reported in (PMID: 22899712).                                                                                                                                      |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 750 and 800 of human WD repeat domain 62 using the numbering given in entry NP_775907.4 (GeneID 284403). |
| Product Application Details |                                                                                                                                                                                     |
| Applications                | Western Blot, Immunocytochemistry/Immunofluorescence, Immunoprecipitation                                                                                                           |
| Recommended Dilutions       | Western Blot, Immunocytochemistry/Immunofluorescence, Immunoprecipitation                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                              |
