| Clonality                   | Polyclonal                                                                                                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                     |
| Isotype                     | IgG                                                                                                                                                                                                    |
| Conjugate                   | DyLight 650                                                                                                                                                                                            |
| Purity                      | Immunogen affinity purified                                                                                                                                                                            |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                                                        |
| Host                        | Rabbit                                                                                                                                                                                                 |
| Gene ID                     | 123169                                                                                                                                                                                                 |
| Gene Symbol                 | LEO1                                                                                                                                                                                                   |
| Species                     | Human, Mouse                                                                                                                                                                                           |
| Reactivity Notes            | X. laevis and Orangutan (100%).                                                                                                                                                                        |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residues 350 and 400 of human senescence down regulated leo1-like using the numbering given in TrEMBL entry Q8WVC0 (GeneID 123169). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                      |
| Product Application Details |                                                                                                                                                                                                        |
| Applications                | Western Blot                                                                                                                                                                                           |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                 |
