| Clonality                   | Polyclonal                                                                                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                         |
| Isotype                     | IgG                                                                                                                                                                                        |
| Conjugate                   | PerCP                                                                                                                                                                                      |
| Purity                      | Immunogen affinity purified                                                                                                                                                                |
| Buffer                      | PBS                                                                                                                                                                                        |
| Product Description         |                                                                                                                                                                                            |
| Host                        | Rabbit                                                                                                                                                                                     |
| Gene ID                     | 10902                                                                                                                                                                                      |
| Gene Symbol                 | BRD8                                                                                                                                                                                       |
| Species                     | Human                                                                                                                                                                                      |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residues 200 and 250 of human Bromodomain containing 8 using the numbering given in TrEMBL entry Q969M9 (GeneID 10902). |
| Product Application Details |                                                                                                                                                                                            |
| Applications                | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin, Immunoprecipitation                                                                                                     |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunoprecipitation, Immunohistochemistry-Paraffin                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                     |
