# NB110-58726H

CD300a/LMIR1 Antibody (MEM-260) [HRP]

| CD300a/LIVIIRT ANIIDOGY (IVIEWI-260) [FIRP] |   |
|---|---|
| Product Information                         |   |
| Unit Size                                   | 0.1 ml  |
| Concentration                               | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                                     | Store at 4C in the dark.  |
| Clonality                                   | Monoclonal  |
| Clone                                       | MEM-260   |
| Preservative                                | No Preservative   |
| Isotype                                     | IgG1  |
| Conjugate                                   | HRP   |
| Purity                                      | Protein A purified  |
| Buffer                                      | PBS   |
| Product Description                         |   |
| Host  | Mouse   |
| Gene ID                                     | 11314   |
| Gene Symbol                                 | CD300A  |
| Species                                     | Human   |
| Specificity/Sensitivity                     | This antibody (clone MEM-260) reacts with CD300a, a 60 kDa leukocyte transmembrane glycoprotein expressed on human granulocytes, monocytes, neutrophils, NK cells, mast cells and dendritic cells, 25% of circulating T cells and 15% of circulating B cells. |
| Immunogen                                   | HPB acute lymphoid leukemia cell line (NM_007261.2).  |
| Product Application Details                 |   |
| Applications                                | Western Blot, Flow Cytometry, CyTOF-ready   |
| Recommended Dilutions                       | Western Blot, Flow Cytometry, CyTOF-ready   |
|   |   |

| <b>Product Application Details</b> |  |
|------------------------------------|--|
| Applications                       | Western Blot, Flow Cytometry, CyTOF-ready                              |
| Recommended Dilutions              | Western Blot, Flow Cytometry, CyTOF-ready                              |
| Application Notes                  | Optimal dilution of this antibody should be experimentally determined. |
