| Clonality                   | Polyclonal                                                                                                                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                  |
| Isotype                     | IgG                                                                                                                                                                                                                 |
| Conjugate                   | DyLight 350                                                                                                                                                                                                         |
| Purity                      | Immunogen affinity purified                                                                                                                                                                                         |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                  |
| Product Description         |                                                                                                                                                                                                                     |
| Host                        | Rabbit                                                                                                                                                                                                              |
| Gene ID                     | 9439                                                                                                                                                                                                                |
| Gene Symbol                 | MED23                                                                                                                                                                                                               |
| Species                     | Human, Mouse                                                                                                                                                                                                        |
| Reactivity Notes            | Mouse reactivity reported in scientific literature (PMID: 25223702).                                                                                                                                                |
| Immunogen                   | A synthetic peptide that maps to a region between residues 400 and 450 of human Cofactor Required for Sp1 transcriptional activation, subunit 3 using the numbering given in Swiss-Prot entry Q9ULK4 (GeneID 9439). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                   |
| Product Application Details |                                                                                                                                                                                                                     |
| Applications                | Immunoprecipitation, Western Blot (Negative)                                                                                                                                                                        |
| Recommended Dilutions       | Immunoprecipitation, Western Blot (Negative)                                                                                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                              |
