GABA-B R1 Antibody [Janelia Fluor® 635]

| Product Information         |                                                                                                    |
|-----------------------------|----------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                             |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.        |
| Storage                     | Store at 4C in the dark.                                                                           |
| Clonality                   | Polyclonal                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                 |
| Isotype                     | IgG                                                                                                |
| Conjugate                   | Janelia Fluor 635                                                                                  |
| Purity                      | Immunogen affinity purified                                                                        |
| Buffer                      | 50mM Sodium Borate                                                                                 |
| Product Description         |                                                                                                    |
| Host                        | Rabbit                                                                                             |
| Gene ID                     | 2550                                                                                               |
| Gene Symbol                 | GABBR1                                                                                             |
| Species                     | Human                                                                                              |
| Reactivity Notes            | Human. Other species not tested.                                                                   |
| Specificity/Sensitivity     | GABA B receptor 1                                                                                  |
| Immunogen                   | Synthetic peptide corresponding to residues 33-54 [PHLPRPHPRVPPHPSSERRAVY] of the GABABR1 subunit. |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.              |
| Product Application Details |                                                                                                    |
| Applications                | Western Blot                                                                                       |
| Recommended Dilutions       | Western Blot                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                             |
