QKI/Quaking Antibody [Janelia Fluor® 635]

| Product Information         |                                                                                                                                                                                      |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                               |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                          |
| Storage                     | Store at 4C in the dark.                                                                                                                                                             |
| Clonality                   | Polyclonal                                                                                                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                   |
| Isotype                     | IgG                                                                                                                                                                                  |
| Conjugate                   | Janelia Fluor 635                                                                                                                                                                    |
| Purity                      | Immunogen affinity purified                                                                                                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                      |
| Host                        | Rabbit                                                                                                                                                                               |
| Gene ID                     | 9444                                                                                                                                                                                 |
| Gene Symbol                 | QKI                                                                                                                                                                                  |
| Species                     | Human                                                                                                                                                                                |
| Specificity/Sensitivity     | The epitope recognized is common to isoforms 1, 2, 3, 4, 5, 6, 7 and 7B according to TrEMBL entries Q9P0Y1, Q9P0Y0, Q9P0X6, Q9P0X8, Q96PU8, Q96PU7, Q969L9 and Q96PU6, respectively. |
| Immunogen                   | A synthetic peptide mapping to a region between residues 50 and 100 of isoform 5 of human quaking homolog using the numbering given in entry AAH19917.1 (GeneID 9444).               |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                |
| Product Application Details |                                                                                                                                                                                      |
| Applications                | Western Blot                                                                                                                                                                         |
| Recommended Dilutions       | Western Blot                                                                                                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                               |
