| Clonality                   | Polyclonal                                                                                                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                 |
| Isotype                     | IgG                                                                                                                                                                                                |
| Conjugate                   | FITC                                                                                                                                                                                               |
| Purity                      | Immunogen affinity purified                                                                                                                                                                        |
| Buffer                      | PBS                                                                                                                                                                                                |
| Product Description         |                                                                                                                                                                                                    |
| Host                        | Rabbit                                                                                                                                                                                             |
| Gene ID                     | 22974                                                                                                                                                                                              |
| Gene Symbol                 | TPX2                                                                                                                                                                                               |
| Species                     | Human                                                                                                                                                                                              |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 700 and the C-terminus (residue 749) of human TPX2 using the numbering given in Swiss-Prot entry Q9ULW0 (GeneID 22974). |
| Product Application Details |                                                                                                                                                                                                    |
| Applications                | Western Blot, Immunocytochemistry/Immunofluorescence, Knockdown Validated                                                                                                                          |
| Recommended Dilutions       | Western Blot, Immunocytochemistry/Immunofluorescence, Knockdown Validated                                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                             |
