Survivin [p Thr34] Antibody [DyLight 755]

| Product Information     |                                                                                             |
|-------------------------|---------------------------------------------------------------------------------------------|
| Unit Size               | 0.1 ml                                                                                      |
| Concentration           | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                 | Store at 4C in the dark.                                                                    |
| Clonality               | Polyclonal                                                                                  |
| Preservative            | 0.05% Sodium Azide                                                                          |
| Isotype                 | IgG                                                                                         |
| Conjugate               | DyLight 755                                                                                 |
| Purity                  | Immunogen affinity purified                                                                 |
| Buffer                  | 50mM Sodium Borate                                                                          |
| Target Molecular Weight | 16 kDa                                                                                      |

| Product Description     |                                                                                                                                                                               |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                                                                                                                        |
| Gene ID                 | 332                                                                                                                                                                           |
| Gene Symbol             | BIRC5                                                                                                                                                                         |
| Species                 | Human, Mouse                                                                                                                                                                  |
| Reactivity Notes        | Human and mouse reactivity reported in scientific literature (PMID: 17510430).                                                                                                |
| Specificity/Sensitivity | Survivin [p Thr34] Antibody [NB500-236] is specific for phosphorylated survivin.                                                                                              |
| Immunogen               | This Survivin [p Thr34] Antibody was developed against a synthetic peptide with a phosphorylated Threonine (amino acid 34) corresponding to human Survivin. [UniProt# O15392] |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                             |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence                  |
| Recommended Dilutions       | Western Blot, Immunocytochemistry/ Immunofluorescence                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
