| Purity                      | Protein A purified                                                                                                                                                                  |
| Buffer                      | PBS                                                                                                                                                                                 |
| Product Description         |                                                                                                                                                                                     |
| Host                        | Mouse                                                                                                                                                                               |
| Species                     | Non-species specific, Human (Negative), Mouse (Negative), Porcine (Negative), Rat (Negative)                                                                                        |
| Specificity/Sensitivity     | This mouse IgG2b monoclonal antibody (clone PLRV219) reacts with undefined epitope on a plant pathogen.                                                                             |
| Product Application Details |                                                                                                                                                                                     |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, ELISA, Flow Cytometry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Frozen, Immunoprecipitation |
| Recommended Dilutions       | Western Blot, Flow Cytometry, ELISA, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation, Immunohistochemistry-Paraffin, Immunohistochemistry-Frozen |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                              |
