BCL11B Antibody [DyLight 650]

| Product Information         |                                                                                                                                                                            |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                     |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                |
| Storage                     | Store at 4C in the dark.                                                                                                                                                   |
| Clonality                   | Polyclonal                                                                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                         |
| Isotype                     | IgG                                                                                                                                                                        |
| Conjugate                   | DyLight 650                                                                                                                                                                |
| Purity                      | Immunogen affinity purified                                                                                                                                                |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                         |
| Product Description         |                                                                                                                                                                            |
| Host                        | Rabbit                                                                                                                                                                     |
| Gene ID                     | 64919                                                                                                                                                                      |
| Gene Symbol                 | BCL11B                                                                                                                                                                     |
| Species                     | Human, Mouse                                                                                                                                                               |
| Reactivity Notes            | Mouse reactivity reported in scientific literature (PMID: 22028030).                                                                                                       |
| Specificity/Sensitivity     | NB600-262 is specific for human Bcl-11b protein.                                                                                                                           |
| Immunogen                   | A synthetic peptide which maps to a region between residues 1 and 50 of human B-cell CLL/lymphoma 11B using the numbering given in Swiss-Prot entry Q9C0K0 (GeneID 64919). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                          |
| Product Application Details |                                                                                                                                                                            |
| Applications                | Western Blot, Immunohistochemistry                                                                                                                                         |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                     |
