| Clonality                   | Polyclonal                                                                                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                            |
| Isotype                     | IgG                                                                                                                                                                           |
| Conjugate                   | PE                                                                                                                                                                            |
| Purity                      | Immunogen affinity purified                                                                                                                                                   |
| Buffer                      | PBS                                                                                                                                                                           |
| Product Description         |                                                                                                                                                                               |
| Host                        | Rabbit                                                                                                                                                                        |
| Gene ID                     | 64919                                                                                                                                                                         |
| Gene Symbol                 | BCL11B                                                                                                                                                                        |
| Species                     | Human                                                                                                                                                                         |
| Specificity/Sensitivity     | NB600-263 is specific for human Bcl-11b protein.                                                                                                                              |
| Immunogen                   | A synthetic peptide which maps to a region between residues 500 and 550 of human B-cell CLL/lymphoma 11B using the numbering given in Swiss-Prot entry Q9C0K0 (GeneID 64919). |
| Product Application Details |                                                                                                                                                                               |
| Applications                | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin, Immunoprecipitation                                                                                        |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunoprecipitation, Immunohistochemistry-Paraffin                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                        |
