EPCR Antibody (RCR-252) [DyLight 405]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | RCR-252                                                                                     |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | DyLight 405                                                                                 |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                                                |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Rat                                                                                                                                            |
| Gene ID             | 10544                                                                                                                                          |
| Gene Symbol         | PROCR                                                                                                                                          |
| Species             | Human                                                                                                                                          |
| Reactivity Notes    | 0                                                                                                                                              |
| Immunogen           | Myeloma cells and cells isolated from the superficial inguinal lymph nodes from Wistar rats immunized with the human EPCR-positive RE-1 cells. |
| Notes               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                              |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Microarray, Block/Neutralize                                           |
| Recommended Dilutions       | Microarray, Block/Neutralize                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
