| <b>Preservative</b>                | 0.05% Sodium Azide                                                                                                             |
| <b>Isotype</b>                     | IgG                                                                                                                            |
| <b>Conjugate</b>                   | PerCP                                                                                                                          |
| <b>Purity</b>                      | Immunogen affinity purified                                                                                                    |
| <b>Buffer</b>                      | PBS                                                                                                                            |
| <b>Product Description</b>         |                                                                                                                                |
| <b>Host</b>                        | Goat                                                                                                                           |
| <b>Gene ID</b>                     | 3507                                                                                                                           |
| <b>Gene Symbol</b>                 | IGHM                                                                                                                           |
| <b>Species</b>                     | Rabbit                                                                                                                         |
| <b>Specificity/Sensitivity</b>     | By immunoelectrophoresis and ELISA this reacts specifically with rabbit IgM. This may cross react with IgM from other species. |
| <b>Immunogen</b>                   | Rabbit IgM                                                                                                                     |
| <b>Product Application Details</b> |                                                                                                                                |
| <b>Applications</b>                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin              |
| <b>Recommended Dilutions</b>       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin              |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                         |
