**NB790PE**

Sheep anti-Bovine IgG Heavy Chain Secondary Antibody [PE]

| Product Information         |                                                                                                                                |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 1 ml                                                                                                                           |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                    |
| Storage                     | Store at 4C in the dark.                                                                                                       |
| Clonality                   | Polyclonal                                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                                             |
| Isotype                     | IgG                                                                                                                            |
| Conjugate                   | PE                                                                                                                             |
| Purity                      | Immunogen affinity purified                                                                                                    |
| Buffer                      | PBS                                                                                                                            |
| Product Description         |                                                                                                                                |
| Host                        | Sheep                                                                                                                          |
| Species                     | Bovine                                                                                                                         |
| Specificity/Sensitivity     | By immunoelectrophoresis and ELISA this reacts specifically with Bovine IgG. This may cross react with IgG from other species. |
| Immunogen                   | Bovine IgG-heavy chain                                                                                                         |
| Product Application Details |                                                                                                                                |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin              |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                         |
