| Clonality                   | Polyclonal                                                                                                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                        |
| Isotype                     | IgG                                                                                                                                                                                                       |
| Conjugate                   | DyLight 594                                                                                                                                                                                               |
| Purity                      | Immunogen affinity purified                                                                                                                                                                               |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                        |
| Product Description         |                                                                                                                                                                                                           |
| Host                        | Rabbit                                                                                                                                                                                                    |
| Gene ID                     | 23314                                                                                                                                                                                                     |
| Gene Symbol                 | SATB2                                                                                                                                                                                                     |
| Species                     | Human                                                                                                                                                                                                     |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 683 and 733 of human Special AT-rich sequence-binding protein 2 using the numbering given in entry NP_056080.1 (GeneID 23314). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                         |
| Product Application Details |                                                                                                                                                                                                           |
| Applications                | Western Blot, Immunoprecipitation, Microarray, Chromatin Immunoprecipitation (ChIP)                                                                                                                       |
| Recommended Dilutions       | Western Blot, Immunoprecipitation, Microarray, Chromatin Immunoprecipitation (ChIP)                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                    |
