| <b>Storage</b>                     | Store at 4C in the dark.                                                                                                                                            |
| <b>Clonality</b>                   | Polyclonal                                                                                                                                                          |
| <b>Preservative</b>                | 0.05% Sodium Azide                                                                                                                                                  |
| <b>Isotype</b>                     | IgG                                                                                                                                                                 |
| <b>Conjugate</b>                   | DyLight 594                                                                                                                                                         |
| <b>Purity</b>                      | Immunogen affinity purified                                                                                                                                         |
| <b>Buffer</b>                      | 50mM Sodium Borate                                                                                                                                                  |
| <b>Product Description</b>         |                                                                                                                                                                     |
| <b>Host</b>                        | Rabbit                                                                                                                                                              |
| <b>Gene ID</b>                     | 51426                                                                                                                                                               |
| <b>Gene Symbol</b>                 | POLK                                                                                                                                                                |
| <b>Species</b>                     | Human                                                                                                                                                               |
| <b>Immunogen</b>                   | The immunogen recognized by this antibody maps to a region between residue 825 and 870 of human DNA polymerase kappa using the numbering given in entry NP_057302.1 |
| <b>Notes</b>                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                   |
| <b>Product Application Details</b> |                                                                                                                                                                     |
| <b>Applications</b>                | Western Blot, Immunoprecipitation                                                                                                                                   |
| <b>Recommended Dilutions</b>       | Western Blot, Immunoprecipitation                                                                                                                                   |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                              |
