| Buffer                      | 50mM Sodium Borate                                                                                                    |
| Product Description         |                                                                                                                       |
| Host                        | Rat                                                                                                                   |
| Gene ID                     | 3569                                                                                                                  |
| Gene Symbol                 | IL6                                                                                                                   |
| Species                     | Mouse                                                                                                                 |
| Immunogen                   | Mouse recombinant IL-6                                                                                                |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                 |
| Product Application Details |                                                                                                                       |
| Applications                | Flow Cytometry, Immunohistochemistry, Immunohistochemistry-Frozen, Immunoprecipitation, Block/Neutralize, CyTOF-ready |
| Recommended Dilutions       | Flow Cytometry, Immunohistochemistry, Immunoprecipitation, Immunohistochemistry-Frozen, CyTOF-ready, Block/Neutralize |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                |
