| Storage                     | Store at 4C in the dark.                                                                                                                                                                        |
| Clonality                   | Polyclonal                                                                                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                              |
| Isotype                     | IgG                                                                                                                                                                                             |
| Conjugate                   | Janelia Fluor 646                                                                                                                                                                               |
| Purity                      | Immunogen affinity purified                                                                                                                                                                     |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                                 |
| Host                        | Rabbit                                                                                                                                                                                          |
| Gene ID                     | 79058                                                                                                                                                                                           |
| Gene Symbol                 | ASPSCR1                                                                                                                                                                                         |
| Species                     | Human                                                                                                                                                                                           |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 503 and 553 of human alveolar soft part sarcoma locus using the numbering given in entry NP_076988.1 (GeneID 79058). |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                           |
| Product Application Details |                                                                                                                                                                                                 |
| Applications                | Immunoprecipitation, Western Blot (Negative)                                                                                                                                                    |
| Recommended Dilutions       | Immunoprecipitation, Western Blot (Negative)                                                                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                          |
