| Storage                     | Store at 4C in the dark.                                                                                                                                                                              |
| Clonality                   | Polyclonal                                                                                                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                    |
| Isotype                     | IgG                                                                                                                                                                                                   |
| Conjugate                   | PE                                                                                                                                                                                                    |
| Purity                      | Immunogen affinity purified                                                                                                                                                                           |
| Buffer                      | PBS                                                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                                       |
| Host                        | Rabbit                                                                                                                                                                                                |
| Gene ID                     | 1894                                                                                                                                                                                                  |
| Gene Symbol                 | ECT2                                                                                                                                                                                                  |
| Species                     | Human, Mouse                                                                                                                                                                                          |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 833 and 883 of human epithelial cell transforming sequence 2 using the numbering given in entry NP_060568.3 (GeneID 1894). |
| Product Application Details |                                                                                                                                                                                                       |
| Applications                | Western Blot, Immunoprecipitation (Negative)                                                                                                                                                          |
| Recommended Dilutions       | Western Blot, Immunoprecipitation (Negative)                                                                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                |
