| Clonality                   | Polyclonal                                                                                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                    |
| Isotype                     | IgG                                                                                                                                                                                   |
| Conjugate                   | Janelia Fluor 585                                                                                                                                                                     |
| Purity                      | Immunogen affinity purified                                                                                                                                                           |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                    |
| Product Description         |                                                                                                                                                                                       |
| Host                        | Rabbit                                                                                                                                                                                |
| Gene ID                     | 79959                                                                                                                                                                                 |
| Gene Symbol                 | CEP76                                                                                                                                                                                 |
| Species                     | Human                                                                                                                                                                                 |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 1 and 30 of human centrosomal protein 76kDa using the numbering given in entry NP_079175.2 (GeneID 79959). |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                 |
| Product Application Details |                                                                                                                                                                                       |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                     |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                |
