RSK2 Antibody [Janelia Fluor® 549]

| Product Information         |                                                                                                                         |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                  |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                             |
| Storage                     | Store at 4C in the dark.                                                                                                |
| Clonality                   | Polyclonal                                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                                      |
| Isotype                     | IgG                                                                                                                     |
| Conjugate                   | Janelia Fluor 549                                                                                                       |
| Purity                      | Immunogen affinity purified                                                                                             |
| Buffer                      | 50mM Sodium Borate                                                                                                      |
| Product Description         |                                                                                                                         |
| Host                        | Rabbit                                                                                                                  |
| Gene ID                     | 6197                                                                                                                    |
| Gene Symbol                 | RPS6KA3                                                                                                                 |
| Species                     | Human, Mouse                                                                                                            |
| Immunogen                   | maps to a region between residue 1 and 50 of human ribosomal S6 kinase 2 using the numbering given in entry NP_004577.1 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                   |
| Product Application Details |                                                                                                                         |
| Applications                | Immunohistochemistry, Immunoprecipitation (Negative)                                                                    |
| Recommended Dilutions       | Immunohistochemistry, Immunoprecipitation (Negative)                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                  |
