| Clonality                   | Polyclonal                                                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                                                         |
| Isotype                     | IgG                                                                                                                                                        |
| Conjugate                   | PE                                                                                                                                                         |
| Purity                      | Immunogen affinity purified                                                                                                                                |
| Buffer                      | PBS                                                                                                                                                        |
| Product Description         |                                                                                                                                                            |
| Host                        | Rabbit                                                                                                                                                     |
| Gene ID                     | 9711                                                                                                                                                       |
| Gene Symbol                 | RUBCN                                                                                                                                                      |
| Species                     | Human                                                                                                                                                      |
| Immunogen                   | The immunogen for this product maps to a region between residue 922 and 972 of human Rubicon using the numbering given in entry NP_055502.1 (GeneID 9711). |
| Product Application Details |                                                                                                                                                            |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                          |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                     |
