MAP1B [p Thr1265] Antibody [DyLight 755]

| Product Information         |                                                                                                          |
|-----------------------------|----------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                   |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.              |
| Storage                     | Store at 4C in the dark.                                                                                 |
| Clonality                   | Polyclonal                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                       |
| Isotype                     | IgG                                                                                                      |
| Conjugate                   | DyLight 755                                                                                              |
| Purity                      | Immunogen affinity purified                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                       |
| Product Description         |                                                                                                          |
| Host                        | Rabbit                                                                                                   |
| Gene ID                     | 4131                                                                                                     |
| Gene Symbol                 | MAP1B                                                                                                    |
| Species                     | Human, Mouse, Rat, Chicken, Fish, Monkey, Reptile, Xenopus                                               |
| Reactivity Notes            | Use in Monkey reported in scientific literature (PMID:22654911).                                         |
| Marker                      | Neuronal Marker                                                                                          |
| Specificity/Sensitivity     | Phosphorylated Thr1265 on MAP1B (Thr1261 in rat).                                                        |
| Immunogen                   | Phosphopeptide made to a C-terminal portion of rat MAP1B. [Swiss-Prot# P15205]                           |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                        |
| Product Application Details |                                                                                                          |
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Frozen |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Frozen |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                   |
