GM-CSFR alpha Antibody (4H1) [Janelia Fluor® 585]

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                                         |
| Clonality           | Monoclonal                                                                                                       |
| Clone               | 4H1                                                                                                              |
| Preservative        | 0.05% Sodium Azide                                                                                               |
| Isotype             | IgG1 Kappa                                                                                                       |
| Conjugate           | Janelia Fluor 585                                                                                                |
| Purity              | Protein A or G purified                                                                                          |
| Buffer              | 50mM Sodium Borate                                                                                               |

| Product Description |                                                                                       |
|---------------------|---------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                 |
| Gene ID             | 1438                                                                                  |
| Gene Symbol         | CSF2RA                                                                                |
| Species             | Human                                                                                 |
| Immunogen           | The immunogen for this antibody was CD116.                                            |
| Notes               | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Flow Cytometry                                                         |
| Recommended Dilutions       | Flow Cytometry                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
