| Clonality                   | Polyclonal                                                                                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                       |
| Isotype                     | IgG                                                                                                                                                                      |
| Conjugate                   | DyLight 680                                                                                                                                                              |
| Purity                      | Immunogen affinity purified                                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                       |
| Product Description         |                                                                                                                                                                          |
| Host                        | Rabbit                                                                                                                                                                   |
| Gene ID                     | 79159                                                                                                                                                                    |
| Gene Symbol                 | NOL12                                                                                                                                                                    |
| Species                     | Human, Mouse                                                                                                                                                             |
| Immunogen                   | The immunogen for this product maps to a region between residue 163 and 213 of human Nucleolar Protein 12 using the numbering given in entry NP_077289.1 (GeneID 79159). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                        |
| Product Application Details |                                                                                                                                                                          |
| Applications                | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                        |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                   |
