| Clonality                   | Polyclonal                                                                                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                 |
| Isotype                     | IgG                                                                                                                                                                                |
| Conjugate                   | DyLight 550                                                                                                                                                                        |
| Purity                      | Immunogen affinity purified                                                                                                                                                        |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                 |
| Product Description         |                                                                                                                                                                                    |
| Host                        | Rabbit                                                                                                                                                                             |
| Gene ID                     | 9712                                                                                                                                                                               |
| Gene Symbol                 | USP6NL                                                                                                                                                                             |
| Species                     | Human                                                                                                                                                                              |
| Immunogen                   | The immunogen for this product maps to a region between residue 350 and 400 of human Related to the N Terminus of tre using the numbering given in entry AAH42943.1 (GeneID 9712). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                  |
| Product Application Details |                                                                                                                                                                                    |
| Applications                | Western Blot, Immunoprecipitation (Negative)                                                                                                                                       |
| Recommended Dilutions       | Western Blot, Immunoprecipitation (Negative)                                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                             |
