**NBP1-49312H**

OAT Antibody (23A2) [HRP]

| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Monoclonal                                                                                  |
| Clone                       | 23A2                                                                                        |
| Preservative                | No Preservative                                                                             |
| Isotype                     | IgG1 Kappa                                                                                  |
| Conjugate                   | HRP                                                                                         |
| Purity                      | Protein G purified                                                                          |
| Buffer                      | PBS                                                                                         |
| Product Description         |                                                                                             |
| Host                        | Mouse                                                                                       |
| Gene ID                     | 4942                                                                                        |
| Gene Symbol                 | OAT                                                                                         |
| Species                     | Human                                                                                       |
| Reactivity Notes            | May react with Mouse.                                                                       |
| Immunogen                   | Recombinant human OAT (33-439aa) purified from E. coli.                                     |
| Product Application Details |                                                                                             |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                 |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
