Cdx1 Antibody [DyLight 680]

| Product Information         |                                                                                                                      |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                               |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                          |
| Storage                     | Store at 4C in the dark.                                                                                             |
| Clonality                   | Polyclonal                                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                                   |
| Isotype                     | IgG                                                                                                                  |
| Conjugate                   | DyLight 680                                                                                                          |
| Purity                      | Immunogen affinity purified                                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                                                   |
| Product Description         |                                                                                                                      |
| Host                        | Rabbit                                                                                                               |
| Gene ID                     | 1044                                                                                                                 |
| Gene Symbol                 | CDX1                                                                                                                 |
| Species                     | Human, Mouse                                                                                                         |
| Immunogen                   | A genomic peptide made to an internal region of the human Cdx1 protein (within residues 30-150). [Swiss-Prot P47902] |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                    |
| Product Application Details |                                                                                                                      |
| Applications                | Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                          |
| Recommended Dilutions       | Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                               |
