**NBP1-49923H**

Gigaxonin Antibody [HRP]

| Product Information         |                                                                                                                                                             |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                 |
| Storage                     | Store at 4C in the dark.                                                                                                                                    |
| Clonality                   | Polyclonal                                                                                                                                                  |
| Preservative                | No Preservative                                                                                                                                             |
| Isotype                     | IgG                                                                                                                                                         |
| Conjugate                   | HRP                                                                                                                                                         |
| Purity                      | Immunogen affinity purified                                                                                                                                 |
| Buffer                      | PBS                                                                                                                                                         |
| Product Description         |                                                                                                                                                             |
| Host                        | Rabbit                                                                                                                                                      |
| Gene ID                     | 8139                                                                                                                                                        |
| Gene Symbol                 | GAN                                                                                                                                                         |
| Species                     | Human                                                                                                                                                       |
| Immunogen                   | The immunogen for this product maps to a region between residue 50 and 100 of human Gigaxonin using the numbering given in entry NP_071324.1 (GeneID 8139). |
| Product Application Details |                                                                                                                                                             |
| Applications                | Immunoprecipitation, Western Blot (Negative)                                                                                                                |
| Recommended Dilutions       | Immunoprecipitation, Western Blot (Negative)                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                      |
