|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                       |
| Storage                     | Store at 4C in the dark.                                                                                                                                          |
| Clonality                   | Polyclonal                                                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                |
| Isotype                     | IgG                                                                                                                                                               |
| Conjugate                   | FITC                                                                                                                                                              |
| Purity                      | Immunogen affinity purified                                                                                                                                       |
| Buffer                      | PBS                                                                                                                                                               |
| Product Description         |                                                                                                                                                                   |
| Host                        | Rabbit                                                                                                                                                            |
| Gene ID                     | 59349                                                                                                                                                             |
| Gene Symbol                 | KLHL12                                                                                                                                                            |
| Species                     | Human                                                                                                                                                             |
| Immunogen                   | The immunogen for this product maps to a region between residue 150 and 200 of human Kelch-Like 12 using the numbering given in entry NP_067646.1 (GeneID 59349). |
| Product Application Details |                                                                                                                                                                   |
| Applications                | Immunoprecipitation, Western Blot (Negative)                                                                                                                      |
| Recommended Dilutions       | Immunoprecipitation, Western Blot (Negative)                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                            |
