| Clonality                   | Polyclonal                                                                                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                             |
| Isotype                     | IgG                                                                                                                                                                            |
| Conjugate                   | Janelia Fluor 585                                                                                                                                                              |
| Purity                      | Immunogen affinity purified                                                                                                                                                    |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                             |
| Product Description         |                                                                                                                                                                                |
| Host                        | Rabbit                                                                                                                                                                         |
| Gene ID                     | 57182                                                                                                                                                                          |
| Gene Symbol                 | ANKRD50                                                                                                                                                                        |
| Species                     | Human, Mouse                                                                                                                                                                   |
| Immunogen                   | The immunogen for this product maps to a region between residue 1200 and 1250 of human Ankyrin Repeat Domain 50 using the numbering given in entry NP_065070.1 (GeneID 57182). |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                          |
| Product Application Details |                                                                                                                                                                                |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                              |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                         |
