| Clonality                   | Polyclonal                                                                                                                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                            |
| Isotype                     | IgG                                                                                                                                                                                                           |
| Conjugate                   | DyLight 550                                                                                                                                                                                                   |
| Purity                      | Immunogen affinity purified                                                                                                                                                                                   |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                            |
| Product Description         |                                                                                                                                                                                                               |
| Host                        | Rabbit                                                                                                                                                                                                        |
| Gene ID                     | 25998                                                                                                                                                                                                         |
| Gene Symbol                 | IBTK                                                                                                                                                                                                          |
| Species                     | Human                                                                                                                                                                                                         |
| Immunogen                   | The immunogen for this product maps to a region between residue 1050 and 1100 of human Inhibitor of Bruton Agammaglobulinemia Tyrosine Kinase, using the numbering given in entry NP_056340.2 (GeneID 25998). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                             |
| Product Application Details |                                                                                                                                                                                                               |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                                             |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                        |
