| Storage                     | Store at 4C in the dark.                                                                                                                                                                      |
| Clonality                   | Polyclonal                                                                                                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                            |
| Isotype                     | IgG                                                                                                                                                                                           |
| Conjugate                   | Janelia Fluor 635                                                                                                                                                                             |
| Purity                      | Immunogen affinity purified                                                                                                                                                                   |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                            |
| Product Description         |                                                                                                                                                                                               |
| Host                        | Rabbit                                                                                                                                                                                        |
| Gene ID                     | 11056                                                                                                                                                                                         |
| Gene Symbol                 | DDX52                                                                                                                                                                                         |
| Species                     | Human                                                                                                                                                                                         |
| Immunogen                   | The immunogen for this product maps to a region between residue 499 and 549 of human DEAD (Asp-Glu-Ala-Asp) Box Polypeptide 52 using the numbering given in entry NP_008941.2 (GeneID 11056). |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                         |
| Product Application Details |                                                                                                                                                                                               |
| Applications                | Immunoprecipitation, Western Blot (Negative)                                                                                                                                                  |
| Recommended Dilutions       | Immunoprecipitation, Western Blot (Negative)                                                                                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                        |
