| Storage                     | Store at 4C in the dark.                                                                                                                                                |
| Clonality                   | Polyclonal                                                                                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                      |
| Isotype                     | IgG                                                                                                                                                                     |
| Conjugate                   | Biotin                                                                                                                                                                  |
| Purity                      | Immunogen affinity purified                                                                                                                                             |
| Buffer                      | PBS                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                         |
| Host                        | Rabbit                                                                                                                                                                  |
| Gene ID                     | 8622                                                                                                                                                                    |
| Gene Symbol                 | PDE8B                                                                                                                                                                   |
| Species                     | Human                                                                                                                                                                   |
| Immunogen                   | The immunogen for this product maps to a region between residue 835 and 885 of human Phosphodiesterase 8B using the numbering given in entry NP_003710.1 (GeneID 8622). |
| Product Application Details |                                                                                                                                                                         |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                       |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                  |
