| Storage                     | Store at 4C in the dark.                                                                                                                                                            |
| Clonality                   | Polyclonal                                                                                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                  |
| Isotype                     | IgG                                                                                                                                                                                 |
| Conjugate                   | Biotin                                                                                                                                                                              |
| Purity                      | Immunogen affinity purified                                                                                                                                                         |
| Buffer                      | PBS                                                                                                                                                                                 |
| Product Description         |                                                                                                                                                                                     |
| Host                        | Rabbit                                                                                                                                                                              |
| Gene ID                     | 5195                                                                                                                                                                                |
| Gene Symbol                 | PEX14                                                                                                                                                                               |
| Species                     | Human                                                                                                                                                                               |
| Immunogen                   | The immunogen for this product maps to a region between residue 250 and 300 of human Peroxisomal Biogenesis Factor 14 using the numbering given in entry NP_004556.1 (GeneID 5195). |
| Product Application Details |                                                                                                                                                                                     |
| Applications                | Immunoprecipitation, Western Blot (Negative)                                                                                                                                        |
| Recommended Dilutions       | Immunoprecipitation, Western Blot (Negative)                                                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                              |
