| Storage                     | Store at 4C in the dark.                                                                                                                                                              |
| Clonality                   | Polyclonal                                                                                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                    |
| Isotype                     | IgG                                                                                                                                                                                   |
| Conjugate                   | FITC                                                                                                                                                                                  |
| Purity                      | Immunogen affinity purified                                                                                                                                                           |
| Buffer                      | PBS                                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                       |
| Host                        | Rabbit                                                                                                                                                                                |
| Gene ID                     | 7707                                                                                                                                                                                  |
| Gene Symbol                 | ZNF148                                                                                                                                                                                |
| Species                     | Human, Mouse                                                                                                                                                                          |
| Immunogen                   | The immunogen for this product maps to a region between residue 744 and 794 of human Zinc Finger DNA-Binding Protein 89 using the numbering given in entry NP_068799.2 (GenelD 7707). |
| Product Application Details |                                                                                                                                                                                       |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                     |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                |
