| Clonality                   | Polyclonal                                                                                                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                   |
| Isotype                     | IgG                                                                                                                                                                                  |
| Conjugate                   | Allophycocyanin                                                                                                                                                                      |
| Purity                      | Immunogen affinity purified                                                                                                                                                          |
| Buffer                      | PBS                                                                                                                                                                                  |
| Product Description         |                                                                                                                                                                                      |
| Host                        | Rabbit                                                                                                                                                                               |
| Gene ID                     | 10153                                                                                                                                                                                |
| Gene Symbol                 | CEBPZ                                                                                                                                                                                |
| Species                     | Human                                                                                                                                                                                |
| Immunogen                   | The immunogen for this product maps to a region between residue 1 and 50 of human CCAAT/Enhancer Binding Protein CBF2 using the numbering given in entry NP_005751.2 (GeneID 10153). |
| Product Application Details |                                                                                                                                                                                      |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                    |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                               |
