| Storage                     | Store at 4C in the dark.                                                                                                                                                             |
| Clonality                   | Polyclonal                                                                                                                                                                           |
| Preservative                | No Preservative                                                                                                                                                                      |
| Isotype                     | IgG                                                                                                                                                                                  |
| Conjugate                   | HRP                                                                                                                                                                                  |
| Purity                      | Immunogen affinity purified                                                                                                                                                          |
| Buffer                      | PBS                                                                                                                                                                                  |
| Product Description         |                                                                                                                                                                                      |
| Host                        | Rabbit                                                                                                                                                                               |
| Gene ID                     | 91748                                                                                                                                                                                |
| Gene Symbol                 | ELMSAN1                                                                                                                                                                              |
| Species                     | Human                                                                                                                                                                                |
| Immunogen                   | The immunogen for this product maps to a region between residue 550 and 600 of human ELMSAN1 Open Reading Frame 43 using the numbering given in entry NP_001036783.1 (GeneID 91748). |
| Product Application Details |                                                                                                                                                                                      |
| Applications                | Immunoprecipitation, Knockdown Validated                                                                                                                                             |
| Recommended Dilutions       | Immunoprecipitation, Knockdown Validated                                                                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                               |
