| Isotype                     | IgG                                                                                                                                                                                                                       |
| Conjugate                   | HRP                                                                                                                                                                                                                       |
| Purity                      | Peptide affinity purified                                                                                                                                                                                                 |
| Buffer                      | PBS                                                                                                                                                                                                                       |
| Product Description         |                                                                                                                                                                                                                           |
| Host                        | Rabbit                                                                                                                                                                                                                    |
| Gene ID                     | 83742                                                                                                                                                                                                                     |
| Gene Symbol                 | MARVELD1                                                                                                                                                                                                                  |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                         |
| Reactivity Notes            | 0                                                                                                                                                                                                                         |
| Immunogen                   | Antibody was raised against a 16 amino acid synthetic peptide from near the amino terminus of human MARVELD1. The immunogen is located within the first 50 amino acids of MARVELD1. Amino Acid Sequence: PPPRQPPPQARAARGA |
| Product Application Details |                                                                                                                                                                                                                           |
| Applications                | Western Blot, ELISA                                                                                                                                                                                                       |
| Recommended Dilutions       | Western Blot, ELISA                                                                                                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                    |
