| Clonality                   | Polyclonal                                                                                                                                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                   |
| Isotype                     | IgG                                                                                                                                                                                                                  |
| Conjugate                   | Janelia Fluor 635                                                                                                                                                                                                    |
| Purity                      | Peptide affinity purified                                                                                                                                                                                            |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                                                      |
| Host                        | Rabbit                                                                                                                                                                                                               |
| Gene ID                     | 84236                                                                                                                                                                                                                |
| Gene Symbol                 | RHBDD1                                                                                                                                                                                                               |
| Species                     | Human, Mouse                                                                                                                                                                                                         |
| Reactivity Notes            | Immunogen displays the following percentage of sequence identity for non-tested species: Rat (86%)                                                                                                                   |
| Immunogen                   | Antibody was raised against a 14 amino acid synthetic peptide from near the carboxy terminus of human RHBDD1. The immunogen is located within the last 50 amino acids of RHBDD1. Amino Acid Sequence: WDRGNTRNSPPPYG |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                                |
| Product Application Details |                                                                                                                                                                                                                      |
| Applications                | Western Blot, ELISA                                                                                                                                                                                                  |
| Recommended Dilutions       | Western Blot, ELISA                                                                                                                                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                               |
