| Conjugate                   | PerCP                                                                                                                                                                                                     |
| Purity                      | Peptide affinity purified                                                                                                                                                                                 |
| Buffer                      | PBS                                                                                                                                                                                                       |
| Product Description         |                                                                                                                                                                                                           |
| Host                        | Rabbit                                                                                                                                                                                                    |
| Gene ID                     | 51087                                                                                                                                                                                                     |
| Gene Symbol                 | YBX2                                                                                                                                                                                                      |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                         |
| Marker                      | Meiosis Marker                                                                                                                                                                                            |
| Immunogen                   | Antibody was raised against an 18 amino acid synthetic peptide near the carboxy end of human YBX2. The immunogen is located within amino acids 300 - 350 of YBX2. Amino Acid Sequence: RPEPQRPRNRPYFQRRRQ |
| Product Application Details |                                                                                                                                                                                                           |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                          |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                    |
