| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                   |
| Isotype                     | IgG                                                                                                                                                                                                  |
| Conjugate                   | DyLight 405                                                                                                                                                                                          |
| Purity                      | Peptide affinity purified                                                                                                                                                                            |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                                      |
| Host                        | Rabbit                                                                                                                                                                                               |
| Gene ID                     | 4222                                                                                                                                                                                                 |
| Gene Symbol                 | MOX1                                                                                                                                                                                                 |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                    |
| Reactivity Notes            | 0                                                                                                                                                                                                    |
| Immunogen                   | Antibody was raised against a 19 amino acid synthetic peptide near the center of human MOX1. The immunogen is located within amino acids 140 - 190 of MOX1. Amino Acid Sequence: SRRRKESSDNQENRGKPEG |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                    |
| Product Application Details |                                                                                                                                                                                                      |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry                                                                                                                    |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence                                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                               |
